

Application No.: 10/713174

Case No.: 58627US002

Remarks

This amendment is in response to the Notice of Allowance dated May 24, 2006. Claims 1-12 and 36-41, which are now claims 1-18, are pending and allowed.

An Examiner's Amendment was made that resulted in the Notice of Allowance. The current amendments are made to the claims as amended in the Examiner's Amendment. Claim 1 and claim 18 (corresponding to previous claim 41) are currently amended.

More specifically, Jean Lown had a phone conversation with Examiner Robert Shiao on July 12, 2006 regarding the Examiner's Amendment. The current amendment reflects the claim language discussed during that conversation. The Applicants believe that this amendment further clarifies the scope of the present claims. The scope of the claims is not broadened by this amendment. The Applicants respectfully request entry of this amendment.
